## THE KIMBERLEY AUSTRALIA'S HIDDEN TREASURE

Thundering waterfalls, plunging gorges, Aboriginal rock art, deserted beaches, a plethora of wildlife and fewer people per square mile than almost any other place on earth — The Kimberley is one of Australia's hidden treasures. Much of this vast area, located in Australia's North West, is accessible only by boat. Cruise by Zodiac through an untamed wilderness, spotting extraordinary wildlife, enjoying jaw-dropping scenery and marveling at ancient rock paintings. Explore narrow channels, searching for eagles and ospreys in the mangroves and mud flats, and keeping an eye out for saltwater crocodiles. There are many beautiful places on Earth, but none is more beautiful than The Kimberley.

### VOYAGE HIGHLIGHTS

- Witness the spectacular tidal change at Montgomery Reef.
- Discover ancient and mysterious rock art.
- Look for the White-bellied Sea Eagle, Osprey, Brahminy Kite and Peregrine Falcon.
- View King George's towering twin falls plunging almost over 80 metres.
- Photograph the dramatic Bungle Bungle Range.

### A TASTE OF YOUR ITINERARY

A flexible itinerary allows us to take advantage of the different natural phenomena. Here are some of the places we may visit during our time in this wondrous region:

#### Talbot Bay (Horizontal Falls)

The region's tides of close to 36 feet create an amazing spectacle. Depending on whether the tides are ebbing or flowing, experience an exhilarating ride to the "Horizontal Falls".

#### Montgomery Reef

Observe the amazing tidal changes and a fascinating semi-submerged world with an abundance of reef birds and sea creature.

#### Hunter River

Explore narrow mangrove channels watching for numerous bird species and saltwater crocodiles, the most aggressive crocodile known to man.

#### King George River & Falls

The twin cascades of King George Falls are among Australia's highest. We drop anchor at the mouth of the river and ride Zodiacs up this spectacular waterway.

#### Wyndham

View the breathtaking Bungle Bungle mountain range on the inclusive overflight.

### OPTIONAL EXCURSION

#### Mitchell Falls Flight

For those wishing to explore the Kimberley's vast interior, an optional helicopter flightseeing excursion to the Mitchell Falls — four tiers of waterfalls plunging into pools that flow out into the Mitchell River — can be arranged.

This optional excursion may be reserved on-line at MySilversea and paid for on board.
