And all with an all-inclusive advantage that offers a genuinely competitive edge. INTIMATE SHIPS. BIG INCENTIVES.

From large crowds to small groups, from mass-market to one-of-a-kind, simply nothing can compare with the exclusivity of a smaller ship. The intimacy. The camaraderie. The excitement of sailing into secluded harbours where big ships cannot go.

Open bars and lounges offer a congenial ambience where your guests can network, share ideas and laughter, and get to know each other better. And without the distractions of most land resorts like dallying at the 19th hole or straying into town. Or getting lost among the bars of a mega-ship. Yet with some of the highest space ratios at sea, you'll find a surprising array of public rooms to accommodate any business agenda, from multiple lounges and restaurants to a large theatre and a conference room with state-of-the-art multi-media. And since your associates can't wander too far, you can assure higher attendance and a more productive meeting in a relaxed, stress-free atmosphere that encourages teamwork and helps build stronger relationships.

OUR SMALLER SHIPS ARE PERFECT FOR

Incentivising employees,
dealers and distributors

Showing customer appreciation

Staging conferences,
consumer endorsement
events or product rollouts

Hosting symposium,
conventions, meetings

Entertaining influential
international clients

Housing for global events
(Olympics, World Cup, etc.)

OUR FLEET

At Silversea, we turn our back on the trend to build ever-larger ships. We prefer to build on the range and quality of our onboard and land-based experiences. We're determined to create an ambience in which members of our close-knit community feel at ease. Staying small, with no more than 300 suites, we're able to maintain our alluring blend of intimate cruising and ultimate luxury.

WE PUT THE WORLD AT THEIR FEET

There's nothing like travel to motivate your top achievers, and with over 800 destinations on all seven continents, Silversea can give them their dream. There's whale-watching in Alaska and safaris in Africa. Snorkelling in the Seychelles and white-water rafting in Chile. The possibilities are almost infinite – and delightfully intimate, as well.

The delight of waving to a yachtsman as the ship drops anchor in St. Barts... the allure of sailing into Monte Carlo's yacht-spangled harbour. Our highly personalised shore programmes offer closer, more immersive encounters with the places they visit – an exclusive after-hours tour of the Hermitage Museum in St. Petersburg, for example, or a private visit to the wine châteaux of Bordeaux. And for the ultimate travel adventure, our expedition voyages can transport them to the most remote, amazing places on the planet. No wonder the world's most discerning travellers prefer the world of Silversea. Whatever they dream of, we can make it happen. Allow us to do the same for you.

“We chose Silversea for its quality, brand values, personalisation and human touch. Silversea helped us to discover true luxury travel by creating a memorable experience that touched our hearts.”

– MS. MIMI GUMELATY, DIRECTOR OF MARKETING,
ASIA PACIFIC FOR MARY KAY ASIA SERVICES LIMITED

A BUTLER FOR EVERY SUITE – THE ULTIMATE PERK

THE PERSONAL TOUCH

The world of Silversea is a privileged world where every detail is thoughtfully addressed, every request faultlessly honoured. And it's not only because our service ratio is probably the best in cruising – the atmosphere on board is like a private club, where guests are treated more like welcome friends, and our highly dedicated staff seems to delight in making each guest feel well cared for in their home away from home.

The bartender knows you take your Scotch neat, the butler who serves your favourite canapés, and the deck attendant who hands you a towel, along with a gingered iced-tea as you exit the pool. It is this pampered lifestyle, the delicious sense of freedom and well-being that is the very essence of the Silversea experience. No wonder that year after year, Silversea earns the most coveted awards in travel. Your guests will return feeling refreshed, revitalised and ready to tackle new challenges. Which, of course, should affect your returns in a very positive way.

“The onboard product is truly six-star plus the crew was faultless and gave generously of their time to ensure everything was carried through to perfection. Without doubt, Silversea is in a different class.”

– JOHNNY WOLF, MARKETING MANAGER TELECOM PLUS

FOOD BEGETS THOUGHT

Nothing draws people closer together than sitting down to a great meal, sharing news and views over a roast rack of lamb, or talking shop over a fine bottle of wine.

After all, with our Italian heritage, fine dining has been a centrepiece of the Silversea experience since the very beginning. Partnerships with such high-profile names as Relais & Châteaux keep us at the cutting edge of the culinary scene, and we are continually pushing the boundaries with local, traceable, sustainable and other ethical food trends. Menus include a global range of inventive creations and our master chefs are always ready to prepare a special request à la minute.

Every meal includes what may well be the broadest selection of complimentary wines in cruising (up to 50 labels). You can even upgrade your wine list to connoisseur wines and really wow your guests. (Premium wines are a bargain at sea). And you can sip and savour your repasts at a choice of open-seating and specialty restaurants. Or enjoy dinner, served course-by-course, in the privacy of your suite. As always, choice is yours at Silversea.

“The food was outstanding, the ship’s facilities were outstanding, the Captain and entire crew were professional, warm and welcoming; and the operation was the epitome of safety and competence. I couldn’t imagine a better cruise or a more qualified and professional team.”

– GEORGE HEINRICH, PRESIDENT OF INTRADO

A WORLD OF ENTERTAINING OPTIONS

Though intimate in size, Silversea ships offer a surprising wealth of facilities thanks to the highest space ratio in cruising. There are wine tastings, food demonstrations and stimulating lectures.

Guests can spend an hour with a personal trainer, and then head for the spa. And when the stars come out, our ships light up with music and dancing, champagne and laughter, from full-scale productions in the multi-tiered theatre to live entertainment in the lounges. Here in this secure and private environment, you will have their undivided attention and undying loyalty as you escort them from one port to the next. Our signature shore programme allows guests to experience each destination in a more authentic and meaningful way. We offer small-group excursions and private car arrangements that provide fresh insights far beyond ordinary tours. Or treat them to shore excursions and take them wherever you please.

The World. Close up and in depth. That's the silver lining of Silversea. Come experience the difference.
