MAXIMISE YOUR EARNINGS

SILVER SIMPLICITY GROUP PROGRAM

Silver Simplicity, Silversea's simplified sales programme is designed to help travel professionals increase their group business. The benefits of booking group travel can be highly rewarding. By reaching out to local universities, companies, and other organisations to leverage a group interest or need, agents can effectively maximise their earning potential. Silversea's eight ships, offering over 800 worldwide destinations, can provide the perfect itinerary for group travellers wishing to indulge their common passion for history, art, nature, wildlife, fine wine, gourmet cuisine, and more.

The Silver Simplicity Group Programme offers a Standard Group Programme on all voyages, or an Enhanced Group Programme available on select sailings. Plus, groups that reserve back-to-back voyages will enjoy the applicable Onboard Spending Credit for each voyage depending on the length of sailing.

TERMS AND CONDITIONS: Silver Simplicity Group Program is available for all Silversea voyages. Exception: shipboard spending credits are not available for groups booked on Silversea Expeditions vessels. Group size must be a minimum of five full fare suites to qualify for group benefits. Shipboard credits apply cumulatively so that groups booked on combination voyages will receive a Shipboard credit for each voyage based on the length. Group must be of the minimum required size on each voyage to earn the shipboard credit on each particular voyage. Any unused Shipboard Credits cannot be redeemed for cash or any other benefit during or after the voyage. To determine earned Tour Escort berths, singles count as one guest unless booked at 200% single supplement while 3rd and 4th guests are not counted. Tour Escort berths are capped at 10 berths and will be assigned in the average category sold in the group. Tour Escort berths are based on double occupancy. The prevailing single supplement will apply to all suites booked at single occupancy. Tour Escort berths are complimentary on a cruise-only basis, and are not eligible for promotional or group shipboard credits. Promotionally priced programs for air, land, hotel or any other optional items are not available to tour escorts. Group bookings are eligible for all published savings programmes such as Venetian Society Savings, Extended Voyage Savings and Onboard Savings. Standard agency commission rates will apply unless the group is booked on a designated enhanced group voyage. Maximum group size under this program is 50 suites, 30 suites on Silversea Expedition vessels. Larger groups may be approved upon request. Additional restrictions may apply. Please contact your Silversea Sales Support Team for details. Enhanced Group Dates subject to change without notice. SA15821
